

CORINTHIAN VINTAGE AUTO RACING'S RACE AGAINST KIDS' CANCER November 30th through December 2nd, 2018 Texas Motor Speedway

CVAR is a non-profit vintage auto racing club with nearly 500 members.

“As Corinthians, we are ladies and gentlemen who support and race vintage automobiles.

We are dedicated to high standards of safety, conduct and ethics. We share a love of cars authentically prepared. We compete for the satisfaction of racing vintage cars, not for the glory. The purpose of CVAR shall be to encourage the restoration, preservation and operation of Vintage Sports Cars, to act as a source of technical and other information, and to conduct a broad range of events for Vintage Sports Cars and their owners.”

The primary focus for the club is the organization, production and sanctioning of vintage auto races in Texas

In 2017, the vintage racing enthusiasts of CVAR chose to partner with

The Morgan Adams Foundation

a non-profit organization dedicated to funding critically needed pediatric cancer research, to bring ***The Race Against Kids' Cancer*** to Texas.

CVAR members are prepping their engines and getting ready to roll out *full speed ahead* against the cancers that afflict kids, teens and young adults by hosting the Second Annual CVAR ***Race Against Kids' Cancer*** at Texas Motor Speedway on November 16-18, 2018!
